MINUTES OF BUDGET PUBLIC HEARING ON TUESDAY, JUNE 4, 2019, 5:30 P.M.

Town Council Members that were present were Luanne Hook, Brant Murray, Jim Sayers, Ann K. Leppanen. Linda Sosa had an excused absence. The meeting began at 5:30 p.m. and adjourned at 5:50 p.m.

Present in the audience was Linda Richmond.

Mayor Ann K. Leppanen called the budget public hearing to order at approximately 5:33 p.m. The Mayor presented the Budgeting Worksheet as created through the use of data submitted to the Pelorus Program.

The underlying data is from the town council's clerk's entry of revenue, interest, contributions, and expenditures. The only "assumption" was the estimated \$17,000 in sales tax. Property tax will not be set by the town council at this time due to the overlap in budgets and responsibilities between the town and the Bluff Service Area. In keeping with this, this budget does not include projects of revenue or expenditures as a result of a transfer of property from the BSA to the town as that is speculative and the budget can be adjusted as the town moves forward July 1, 2019. The budget also does not include future receipt of Community Development Block Grant funds as that too will not come in until after July 1, 2019.

A vote for approval of the budget will be put on the agenda for the next town council meeting which is June 11, 2019.

The public hearing closed at 5:50 p.m.
