Review and Discuss Bluff's Proposed General Plan

Sayers, who has been working on editing the General Plan, asked Commission members if they had found discrepancies in the revised version. They felt that everything had been covered well and the changes tightened up the document. Podmore suggested a few consistency issues and the need to address firearm use. Haviken suggested adding photographs. The group went through the document clarifying ideas and language. Gilliam suggest that terms and phrases could be carefully defined when creating ordinances. The public hearing on Thursday, July 25th at 5:30 p.m. will be a time for the public to suggest further clarity. Digital and hard copies will be available to the public for a ten-day preview period after Chris McAnany reviews the document. Zoning and ordinances will be a separate public hearing. The Planning and Zoning Commission will host the hearing. The Council will vote to adopt at our July 30th meeting.
